

DATA EAST PINBALL, INC.

To: Bill Sowash
From: Data East Pinball Service Department
Date: February 20, 1991
Subject: Washer added to Simpsons Towers

In an effort to better secure the plastic "cooling tower" on top of the pop bumpers, place a flat washer between the plastic and the head of the screw on both sides.
Part No. of the washer is 242-5001-00. (3/8OD X 5/32ID).
