SUBJ: FYI: Correct Playfield Glass Dimensions for W I D E B O D Y Games

Currently we have three Pinball Games that are W I D E B O D Y Games, they are:

WWF ROYAL RUMBLE

GUNS N' ROSES

BATMAN™ FOREVER

The Game Manuals for **WWF Royal Rumble & Guns N' Roses** gave the **incorrect width (22")** for the Wide Body Playfield Tempered Glass. The **correct size is 23¾" wide** X 43" long X 3/16" thick. (Part N^o **660-5014-00**).

PLEASE UPDATE THE WWF GAME MANUAL (PAGE 37) AND GNR GAME MANUAL (PAGE 41)!

The rest of our Pinball Games (from Laser War to current Pinballs) are Standard (Narrow) Body Games which use the Standard Size Playfield Tempered Glass (21" X 43" X 3/16") (Part N^o **660-5001-00**).
